Lincolnshire ICB	ALL	111 Service	EU Open Tender Procedure	Clinical	Procurement	Governing Body	North Derbyshire CCG's representative on the ITT evaluation panel and a member of the Procurement Committee declared a conflict of interest in relation to occasional employment as a paramedic for East Midland's Ambulance Service	Legal advice was sought. It was agreed by the Chair of the Procurement Committee that this conflict could be managed by way of a confidentiality agreement with the North Derbyshire CCG representative. This was in the context of EMAS not being the representatives main employer and the fact that they had no influence with respect to the business development side of EMAS nor anything to do with the possible delivery of 111 services.
